

# Contractor List

The Des Moines Rehabbers Club and RenovateDSM provide this contractor list as a starting point to help people identify contractors and suppliers for their renovation work. In order to appear in these listings, contractors are recommended by prior satisfied customers. **However, claims made in user recommendations are not verified.**

*Appearing in this list does not mean that a contractor or supplier will be the right person for your particular job – DO YOUR HOMEWORK!* Before hiring any contractor, it is important to check references and look at prior work. **As a condition of using this list, you agree that the DSMRC shall not be held responsible for work performed, materials provided, or supplies sold by anyone listed here.**

**This list is published as a temporary solution while the website database is developed. Eventually, the Des Moines Rehabbers Club Contractor List will be released as a searchable database where users can leave comments and ratings.**
